

# SPOT FOR BUSINESS

SPOT devices deliver affordable, reliable, location-based tracking, messaging and life-saving S.O.S. technology to hundreds of thousands of users around the world 24/7.

## SPOT TRACE<sup>®</sup>

**TRACK ANYTHING. ANYTIME. ANYWHERE.**

SPOT Trace is a theft-alert tracking device that provides satellite GPS location services and movement alert monitoring, independent of cell towers, radio frequency and Wi-Fi.

SPOT offers easy model integration, standalone accessory sale for dealers, great CE margin with flexible terms and aggressive marketing promos.

### BACK OFFICE SOLUTION

**SPOT My Globalstar** provides location-based enterprise solutions with a tailored array of Globalstar GPS tracking devices. Managers can interact with all devices and operators from a single, centralized, cloud-based platform that provides live or historical tracking of personnel, vehicles, and assets on-demand.

- Live and Historical Tracking
- Reporting
- Live Alerts
- Geofencing
- Grouping

### FEATURES

- Monitor valuable assets and receive a text/email message when movement is detected
- Satellite communications network allows **SPOT TRACE** to work on or off-the-grid
- View the asset's location and tracking points online
- Receive frequent updates: choose 2½, 5, 10, 30 or 60 minute intervals (based on purchased tracking plan)
- Small, easy-to-mount size (options: reversible mounting bracket, industrial double sided tape, adhesive grip pad or adhesive velcro strips)

### MULTI-PURPOSE DESIGN

- Compact, inconspicuous design allows device to blend in seamlessly with surroundings
- Made from durable, long-lasting materials
- Lightweight, goes anywhere
